Any interested person or his or her duly authorized representative may submit written comments relevant to the proposed regulations to the contact person identified in this notice. All written comments must be received at the department no later than 5:00 P.M. on **March 27, 2006**, the final day of the written comment period, in order for them to be considered by the department before it adopts the proposed regulations.

AUTHORITY AND REFERENCE

The department proposes to amend the proposed action under the authority granted by Vehicle Code section 1651 in order to implement, interpret or make specific Vehicle Code section 1656(a).

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Vehicle Code Section 1656 requires the department to publish the California Vehicle Code once every two years and distribute the Vehicle Code at a charge sufficient to pay the entire cost of publishing and distributing the code.

The department is proposing an administrative fee increase to \$7.00 per copy of the Vehicle Code plus the actual cost of shipping the Code books to the requester.

FISCAL IMPACT STATEMENT

- Cost Or Savings To Any State Agency: State agencies will be required to pay the administrative fee of \$7 per copy of the Vehicle Code book plus shipping costs, if applicable.
- Other Non-Discretionary Cost or Savings to Local Agencies: Local and federal agencies will be required to pay the administrative fee of \$7 per copy of the Vehicle Code book plus shipping costs, if applicable.

- Costs or Savings in Federal Funding to the State: None.
- Cost Impact on Representative Private Persons or Businesses: There will be an increased cost to obtain a paper copy of the Vehicle Code book.
- Effect on Housing Costs: None.

DETERMINATIONS

The department has made the following initial determinations concerning the proposed regulatory action:

- The proposed regulatory action has no effect that would have a significant statewide adverse economic impact directly affecting businesses, including the ability of California businesses to compete with businesses in other states. Although there is an increased fee to receive a hard copy of the Vehicle Code book, the Code is available on the department's website.
- The amendment of this regulation will neither create nor eliminate jobs or businesses in the state of California, will not result in the elimination of existing businesses, and will neither reduce nor expand businesses currently doing business in the state of California.
- The proposed regulatory action will not impose a mandate on local agencies or school districts, or a mandate which requires reimbursement pursuant to part 7 (commencing with Section 17500) of Division 4 of the Government Code.
- The proposed regulatory action will not affect small businesses since there is no mandate to purchase a Vehicle Code book and the Vehicle Code is available on the Internet.

ALTERNATIVES CONSIDERED

The department must determine that no reasonable alternative considered by the department or that has otherwise been identified and brought to the attention of the department would be more effective in carrying out the purpose for which the action is proposed, or would be as effective and less burdensome to affected private persons than the proposed action.
